25,000 Ways to Increase Your Sales

Whether your clients are redecorating a home, updating their wardrobe, or even framing a picture, this easy-to-use color guide will help. Filled with over 25,000 sensational color combinations, the Dewey Color Coordinator® is ideal for those looking for inspiration.

“ At last, the Dewey Color System® let’s us mix and match colors the way nature intended. We can now confidently create color palettes that work together in home, fashion, and work environments. Color harmonies, color contrasts and color complements can be easily visualized, understood and applied.”

*Jay de Sibor, Past President
Color Marketing Group (CMG)*

This patented color swatch book makes selecting color combinations easy. Your clients will avoid a costly color faux pas as you skillfully address issues and concerns regarding décor, walls, fabric and accessories. Then, simply flip the pages to select precision colors that tie in a theme or establish a requested mood.

- A no-nonsense approach to color!
- Simplify the baffling rules of color coordination.
- Liven up any room or office.
- Creatively express who you are.

Become a Certified Dewey Color Consultant

Millions of homeowners love color but are afraid to use it. Now they can hire YOU as a certified Dewey Color Consultant (DCC) to do it for them! This 2-day course will certify you to go into a home and charge a client to recommend exact paint, fabric, and accessory colors for them, using the patented *Dewey Color Coordinator—25,000 No-Mistake Color Combinations*.

What will you learn?

This interactive color certification course will show you how to select precise and perfect color combinations for your clients, without fear of making an expensive color mismatch.

As a DCC you’ll become an expert at measuring, selecting, and coordinating color combinations that reflect and inspire clients. This entirely new concept in décor-design services is a complete program that also includes the marketing elements of promoting your business.

Will you make a good income?

The income you make depends upon your focus and dedication. We will teach you how to attract new customers, charge for your services, expand other design services, and increase profit margins. Combine the tools we provide, with your focus and dedication to create a successful and lucrative addition to your business, and your potential earnings are limitless.
